### Our Website is a Little Wonky Right Now

If you've visited our website lately, you'll notice that it looks a little different. We are transitioning to a new association management portal and the technicians moved to the new portal before we were ready. Unfortunately, we can't move back. Everything works as it should, but it looks a little rough in some places. Please bear with us as we work out the kinks.

### Call for Presenters - ASPECT Conference 2018

Deadline for Submissions Extended: June 25, 2018

Warren Bruns of Kootenay Employment Services in Creston presented on technology supports for clients during the Inspiration Panel at the 2017 ASPECT Conference

This year's ASPECT conference will offer workshop streams and topics for both junior and senior frontline workers, as well as managers and executive directors. Workshops are intended to provide innovative ideas and valuable information that delegates can take back

to their agencies and use within their work. The following list of topics is not intended to be exhaustive:

- Management tools and techniques, proposal writing, contract negotiation
- Public policy, advocacy and public relations
- Frontline skill-building such as conflict resolution, client support and opportunities, etc.
- Board of Directors training
- Leadership and emerging leadership skills
- Succession planning, recruitment and retention
- Models of service delivery, best practices
- Tools to assist agencies in working with client groups such as - immigrants, people with disabilities, youth, older workers, First Nations, and multi-barriered clients

We have been asked by our delegates to ensure that speakers do not sell products in their workshop session.

Presenters are offered one free conference registration per session. A small travel subsidy fund is available for those speakers who require support to attend the event.

If you are interested in presenting, [see full details](#) of what we are looking for and what format your proposal should take.

**The deadline for submitted proposals has been extended until Monday, June 25, 2018.**
