

ASPECT Profile

The Association of Service Providers for Employability and Career Training (ASPECT) is a non-profit association of approximately 100 community-based training agencies in British Columbia that collectively strives to prepare people for the world of work. The ASPECT conference is about sharing and learning: from keynotes, workshop presenters, sponsors, exhibitors, and peers.

ASPECT provides leadership, education, advocacy, and public awareness to support community-based workforce development service providers. We work with governments and stakeholders to meet the needs of those seeking a meaningful and sustainable livelihood.

The community-based employment training sector continues the historic mission of providing holistic, collaborative, and community-based career development opportunities services to unemployed and underemployed people in BC including those with disabilities, new immigrants, youth, Indigenous peoples, women and more.

Our members are also a resource for employers and economic development activities within their communities. Our members respond quickly to local labour market needs as demonstrated by the challenges from the COVID-19 pandemic.

Conference Overview & Theme

This is ASPECT BC's 33rd Annual Conference and this year we will focus on "Experts in Work Transformation" to reflect the work our community-based experts do in helping to transform the working world through helping clients, employers, and community economies to prepare for the ever-changing labour market.

Our conference takes place in-person at the Sheraton Vancouver Airport Hotel in Richmond, BC, on Thursday, November 2 & Friday, November 3, 2023, and aims to support all front-line workers, executives, and other employment professionals passionate about helping British Columbians find and maintain meaningful employment.

Hosted by the Association of Service Providers for Employability and Career Training, the ASPECT Conference is *the* sector event of the year where delegates learn new and evidence-based innovations that they can use in their communities.

What Conference Delegates Can Expect

- Networking with their colleagues in the employment services sector and those who support the sector with 30-minute breaks between sessions and a reception on November 2nd.
- Learning from 3 plenary and the choice of 16-18 professional development presentations, panels, roundtable discussions, community consultations, and workshops.
- Access to an Exhibitor Showcase highlighting programs, products, and services to help you in your work.
