

# ASPECT Advocacy – Influences & Relationships

Prepared by Janet Morris-Read

July 9, 2019

**Classification of Stakeholders**

Public - Federal
Public – Provincial
Private - Business
Non-Profit
Institutions – Gov’t supported
Other

**Quality of Relationships**

	Formal working relationship – frequent meetings, board representation, reciprocal membership, MOU or partnership in place.
	Informal working relationship – share resources, share services, meet at least 4 times a year, attend and/or promote each other’s conferences
	Superficial contact – established relationship from different context, met in person or online, initial meeting, shared information, looking for opportunities to work together
	Opportunity – limited contact or no recent relationship (within the last 5 years)
No line	No relationship but possible moving forward.
